Special provisions

I. General details

Race distance: 1000m

Lanes: 6

Race intervals: 5 mins

II. Entry deadline

Wednesday, September 2, 2020, 6pm (CET)

If the maximum number of entries is reached, the deadline can be brought forward!

Entries starting August 24, 2020 9am (CET) at:

<https://max.regatta.de/index.php?l=en>

Entries only by using the online entry system. The online entry system will be available in the following languages: English, French, German, Italian, Russian, and Spanish

Late entries are accepted at <https://max.regatta.de/index.php?l=en> until 4pm (CET) the day before the actual race. Entry fees in this case are doubled! There is no entitlement to late entries.

Rules for the cancellation of entries:

24.08.2020 until 02.09.2020 18.00 hrs

Entries can be cancelled at any time at <https://max.regatta.de>. Already paid entry fees will be refunded free of charge.

02.09.2020 18.00 hrs until 14.10.2020 12.00 hrs

If the journey to the regatta venue or from the regatta venue back to the home town is officially prohibited by the authorities, or if entries cannot be raced due to an officially ordered Corona-induced quarantine, the entered crews must be cancelled by the team manager at <https://max.regatta.de> before 14.10.2020 12:00 hrs. If an official proof in German or English can be presented and the official prohibition or order was not known or obvious at the time of entry, the already paid regatta fees minus 5% will be refunded.

If no corresponding proof can be presented or if for any other reason it is not possible to participate in the regatta, a refund is unfortunately not possible.

From 14.10.2020 12 hrs

If a crew cannot or does not want to start in a race, the crew must cancel its entry as soon as possible according to the general rules at <https://max.regatta.de>. For fairness reasons for the other crews in this race and for crews who want to participate instead by late entry, the withdrawal should be take place until 16 hrs of the day before the race. A refund of the regatta fee will not be made according to the usual regulations.

At the entry deadline (or if reasons arise earlier) we will assess, considering the current Corona situation, whether the 2020 Euro Masters Regatta can be held with a specially coordinated hygiene concept. A clear prerequisite is that the official Corona restrictions by the German and Bavarian authorities allow such an event at that time and that the regatta is feasible under the then applicable hygiene regulations.

On the day after the entry deadline, all registrants will be informed whether the regatta can take place as advertised, whether we offer an alternative invitation to enter until September 9, 2020 with a reduced race order or whether we must cancel the regatta. Regardless of this, it is possible at any

time between the registration deadline and the regatta date that we must cancel the regatta due to official regulations. In case of a cancellation between the registration deadline and the start of the regatta, participants will be refunded the regatta fees already paid less 5%.

All participants are therefore strongly advised to book their hotel and travel arrangements in a way that they can be cancelled at short notice. By registering for the Euro Masters Regatta, each participant acknowledges that Regatta München e.V. is released from any liability for damages, especially for travel and accommodation of the participants, and is not liable for any costs of the participants. This applies in particular in the event of a cancellation of the regatta, the exclusion of participants from a certain country or region who are particularly affected by the Corona pandemic, or persons with typical Corona symptoms, but also in the event of a change in the hygiene concept and/or a change in the announcement or a change in the order of the races, or even the cancellation of races for certain boat or age groups.

All participants undertake to comply with all regulations of the hygiene concept as well as the official infection prevention measures in force at the time of the event. Violation will result in immediate exclusion from the regatta.

III. Draw

September 13, 2020, 6pm

Regatta München e.V., Dachauer Str. 35, 85764 Oberschleißheim, Germany

Due to the Corona situation, it will not be determined until the draw how the individual races will be distributed over the race days. The order of the advertised races will be maintained in the entry results and in the settlements. The races will either be distributed over four days (October 15 to 18), three days (October 16 to 18) or two days (October 17 to 18). Days not used for races can be used for training purposes.

IV. Entry fees

Single:	26 €	Pair/Double:	52 €
Quad:	104 €	Eight:	208 €

At the entry deadline on September 2, 2020 18 hrs the total amount of the entry fees incl. possible additional fees are due by bank transfer or online payment. If the entry fees are not received by the Munich Regatta until 02.09.2020 18:00 hrs, the entries and any additional services will be automatically cancelled. Payments at the regatta office are not possible! (Late entries excluded)

Late entries: Entry fees for late entries can be paid by bank transfer or online payment or at the regatta office.

Online payment via PayPal. Wire transfer costs must be paid by the registrant, not the host. Entry fees will only be reimbursed for races that did not take place minus eventual wire transfer costs. Teams that have not paid their regatta fee on time are not eligible to start.

1 € per entered seat will be donated to "Aktion Deutschland Hilft" for the benefit of the "Corona emergency aid worldwide", a German non-profit organization combining 23 different aid organisations that is active worldwide and supports countries and regions to fight Corona.

VI. Additional provisions

a) Boat rental

Rental boats will be offered. Further information can be found at our website starting July 2020. All boat rental at the regatta venue is reserved to the boat rental agencies authorized by the host.

b) FISA Rules of Racing

The races shall be rowed according the FISA Rules of Racing and related bye-laws. A rower may compete if he/she attains the age of 27 in 2020.

Age categories

A = minimum age 27 years	F = average age 60 years	K = average age 83 years
B = average age 36 years	G = average age 65 years	L = average age 86 years
C = average age 43 years	H = average age 70 years	M = average age 89 years
D = average age 50 years	I = average age 75 years	
E = average age 55 years	J = average age 80 years	

Within an age category, a sorting by the year of birth is applied equivalent to the World Masters Regatta. The sorting by year of birth will be done at the draw considering all valid entries by the time of the draw. The sorting within an age category will be done backwards from the oldest to the youngest participant. Late entries that will come in after the draw will row in the heat with the youngest participants, not considering their year of birth. If scratches occur, the regatta committee reserves the right to depart from that rule.

Lightweights

For the Masters lightweight races (MLW and MLM), rule 31 of the FISA Rules of Racing applies analogously. Lightweight single scullers may not weigh more than 72.5kg (men/MLM) and 59.0kg (women/MLW). Lightweight rowers shall be weighed wearing only their racing uniform not less than one hour and not more than two hours before their racetime.

Coxswains

The coxswain's weight is 55kg. A coxswain has to employ deadweight to compensate for an underweight condition to a maximum of 15kg. Coxswains will weigh-in once for the whole regatta one (1) hour before their first race at the latest.

A coxswain may be of either gender. Age categories do not apply to coxswains of Masters crews.

Mixed races

Mixed crews are crews where half of the crew excluding the coxswain shall be women and half shall be men.

Proof of age and accreditation

Each regatta participant must be able to proof his/her age by presentation of an official photo ID (passport, ID card, driver's license). At the regatta office, you will be able to obtain an accreditation to avoid the necessity of carrying the photo ID. The age of the participants will be verified during the regatta. In addition, the identity can be verified at the victory ceremony.

Clothing

Members of the same crew shall compete wearing uniform clothing.

The regulation regarding uniform clothing does not apply for mixed crews on Sunday.

Race divisions

When the number of entries in an event exceeds the number of available racing lanes, the event will be divided into two or more finals. If an event's age category has one entry only, this crew shall start in the next lower age category.

Quick start

If necessary, a quick start procedure can be applied. After announcing "2 minutes", crews shall be ready for start. As soon as the boats are aligned, instead of a roll call, the starter will call "QUICK START", "ATTENTION" and turn the red traffic lights ON. Afterwards, he/she will give the start signal using the GREEN light and simultaneously an AUDIBLE SIGNAL through the speakers. In case of a system failure, the start will be signalled using the start flag and the command "GO".

Substitutes

Crew Changes are possible up to two hours before the start time of the first heat of the respective race at <https://max.regatta.de>. As a maximum, only half of the rowers of a crew may be substituted. The substitutes have to be members of the same club (or, in the case of composite crews, of one of the clubs concerned). A substitute shall not be permitted if the age of the substituting rower would lower the average age of the crew by more than one year or change the age category of that crew.

Withdrawals

If a crew cannot or does not want to start in a race, the crew must cancel its entry as soon as possible at <https://max.regatta.de>. For fairness reasons for the other crews in this race and for crews who want to participate instead by late entry, the withdrawal should take place until 4pm of the day before the race, at the latest two hours before the start time of the first heat of the respective race.

Anti-Doping

Please note that doping tests are also possible at Masters regattas. A required medication has to be attested together with the relevant diagnoses and the agents applied – insofar as they are not banned, but notifiable by anti-doping regulations – by the attending doctor. A copy of the attestation shall be deposited **before** the competition in a sealed envelope at the regatta office. The envelope will only be opened in the presence of the rower and shall be collected upon completion of the regatta.

Health

Each competitor shall be responsible for his or her own health and fitness. During the regatta the principle of mutual consideration applies in Corona times! Therefore, the hygiene concept of Regatta München has to be adhered to by every participant. This concept will be adapted according to the official requirements until the start of the regatta and will be published on our website and sent to the registrants after the entry deadline.

The regatta committee reserves the right to exclude a participant from the regatta immediately in case of violation of the hygiene concept.

c) Catering

Our hospitality partners offer a choice of cold and hot meals and beverages at the regatta course. The catering partners as well as their customers must comply with the hygiene regulations valid at the time of the regatta.

d) Accommodation including Shuttle-Service

Please direct accommodation requests to our hotel partner. They can provide you with good and conveniently located hotels in the vicinity of the course at affordable rates.

e) Camping

Due to hygiene regulations, the camping facilities for tents will not be available.
For motorhomes/caravans a flat-rate fee of € 100 is charged once.
Reservations are possible via our online registration system from August 24, 2020.

f) Team tents

Team tents can be set up without fees along the course in designated areas. As the available space is limited, please contact the regatta management in advance indicating the amount of space needed. The preparation of meals is not allowed in these tents.

g) Safety notice

On the whole venue, escape and emergency routes have to be kept free at all times. Green areas must not be used to park vehicles or trailers. The paved area immediately in front of and behind the boathouses have to be kept clear during the entire event. Open fire and the preparation of food using electric, gas, or charcoal devices is prohibited. The preparation of food is only permitted in catering tents at the campground. Staying overnight in the boathouses (ground floor) is prohibited. In case of violations, an exclusion from the regatta may be considered. All regulations of the hygiene concept must be taken into account. Violations will be punished with exclusion from the regatta.

h) Parking

From Wednesday morning until the end of the event on Sunday, only drawing vehicles may enter the regatta venue to bring boat trailers in or pick them up. These drawing vehicles as well as all other vehicles have to park at the grandstand parking of the Olympic Regatta Course. There is a parking fee that applies to all vehicles (3 €/day).

i) Liability

The insurance of equipment and person is the responsibility of the participants. The organizer assumes no liability of any kind.

j) Photo and video recording

During the regatta, photos and videos will be taken. Participants who do not agree to this must object at the regatta office before the event.
